

main ▾ INSPECT-SPSW / SPSW / Installer /

AhmedMaky93 new installer

..

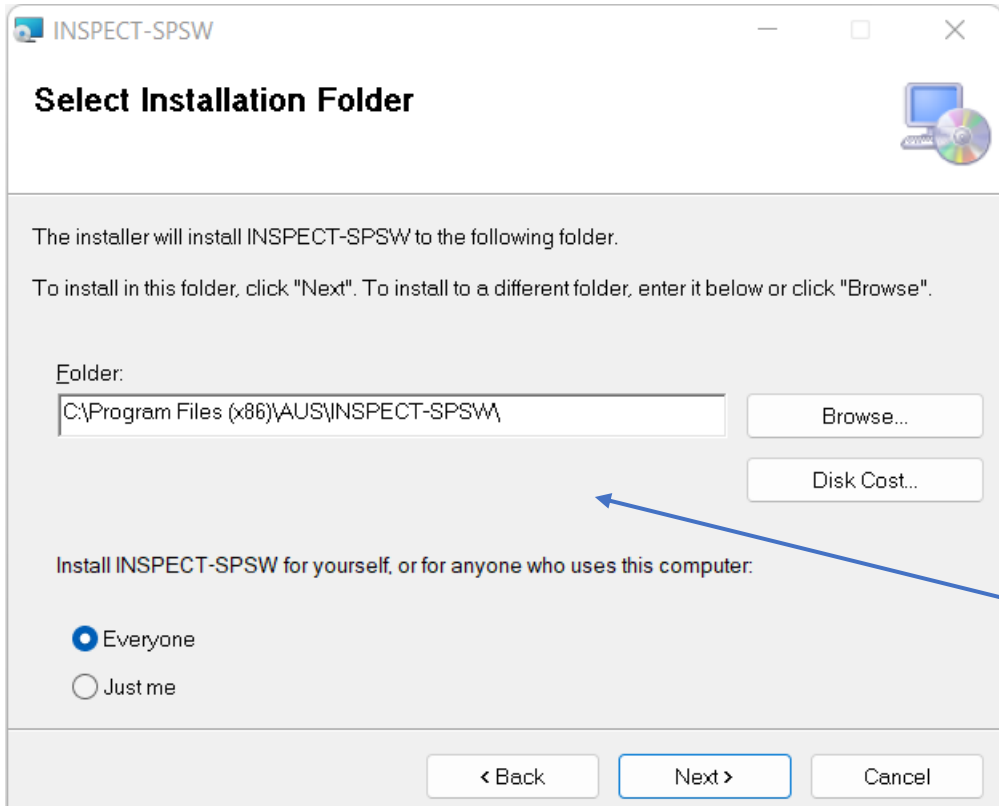

SPSW Setup.msi

Go to the installation package path

INSPECT-SPSW > SPSW > Installer				
<input type="checkbox"/>	Name	Date modified	Type	Size
<input checked="" type="checkbox"/>	INSPECT-SPSW.msi	25/07/2022 2:19 AM	Windows Installer ...	4,511 KB

Run the installation package

Choose the installation folder

We recommend to change the default to another Folder "Not located in C:/"

Otherwise, you will have to choose "Run as Administrator" every time to launch the program
